

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the industry as durable and strong machinery which meets the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln can supply warranty service, machinery and components for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of numerous facility managers where results and efficiency count. Recently, this particular floor scrubber model has been utilized by the architects in new construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
