

Forklift Electrical Part

Forklift Electrical Parts - Lift trucks could be specifically marked to be used in hazardous locations. A labeled lift truck indicates the design has met the lowest standards of ANSI/UL 558 utilized for engine powered forklifts or ANSI/UL 583 used for electric lift trucks for the type of label attached.

Applications for labeled forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Consult your local insurance carrier and Fire Marshall for more info concerning the approved uses of industrial powered lift trucks in your application.

If the lift truck has been proven to satisfy the outlined criteria, the following labels can be placed. A marked truck will have the model designation located on the lift truck nameplate and will have one of the following labels attached.
